SUMMARY

Inclusive collaborator and thorough troubleshooter enthusiastically guiding teams to build apps that make a more sustainable, equal, and playful planet.

Looking for unconventional employers who are creating beautiful alternatives to business-as-usual.

PROJECTS

Forked Aug 2016
A Ruby on Rails based Web app that feeds users recipes that they can cook based on the ingredients in their pantries. Facebook integration. Built in one week as a bootcamp final project.

Cents Against Trump Jul 2016 to Aug 2016
My first web app. Cents Against Trump parses the New York times and allows users to make a small donation to a charity of their choice for every time his name appears.

EXPERIENCE
